

Annex II - CNR-ISMAR Data Request and Data Policy Acceptance Form

1. Applicant information*

Name and surname:

Affiliation / Organisation:

Role / Position:

Email address:

Address / Country:

ORCID (if available):

* (If you are a student, please get also your supervisor signature)

2. Requested data

Title / short description of the dataset(s):

Type of data requested (tick all that apply):

☐ Raw data

☐ Processed data

☐ Products

Thematic area:

☐ Physical oceanography

☐ Chemical oceanography

☐ Biological / ecological data

☐ Geological / geophysical data

☐ Other (please specify): _____

Temporal coverage (if applicable):

Spatial coverage (if applicable):

Preferred format (if applicable):

3. Purpose of data use

Intended use of the data (tick all that apply):

☐ Scientific research

☐ Education / training

☐ Environmental management / policy support

- ☐ Commercial use
- ☐ Other (please specify): _____

Short description of the intended use (mandatory):

Expected outputs:

- ☐ Scientific publication
- ☐ Report / deliverable
- ☐ Thesis
- ☐ Software / model
- ☐ Other (please specify): _____

4. Acceptance of CNR-ISMAR Data Policy – Terms and Conditions

By submitting this request, the applicant declares that they have read, understood and accepted the CNR-ISMAR Data Policy and agrees to comply with the following terms and conditions:

1. Compliance with licence: the data shall be used strictly in accordance with the licence specified by CNR-ISMAR and/or the data owner.
2. No unauthorised redistribution: redistribution of the data to third parties is only permitted if explicitly allowed by the applicable licence.
3. Attribution and citation: the applicant commits to correctly acknowledge CNR-ISMAR and the data producer(s) in all uses of the data, including publications, reports and derivative works, using the citation provided in the metadata and any associated Persistent Identifier (PID).
4. No misuse of data: the data shall not be misrepresented, manipulated or used in a misleading manner. CNR-ISMAR shall not be held responsible for interpretations or conclusions derived from the data.
5. Notification of issues: the applicant agrees to inform CNR-ISMAR of any errors, inconsistencies or issues identified in the data.
6. Personal and sensitive data: where applicable, the applicant commits to processing personal or sensitive data in compliance with GDPR and other applicable data protection regulations.
7. The use of the data in support of military activities, whether offensive or defensive, is expressly prohibited.

5. Declaration

I hereby declare that the information provided in this form is accurate and complete. I accept the CNR-ISMAR Data Policy and the above Terms and Conditions for data access and use.
